While robust and with a stretched surface, the PUDIM remains soft and plump. True to its name, it looks as if it has just come out of a pudding mold. Spacious and comfortable, its size makes it perfect for any space, and for anyone who sits on it.

A bench version of the sofa is available upon request. For this, we raised the height to 48cm and set the depth at a narrower 57 cm, so that your bench suits any dining table. As always, we can tailor our bench versions to adapt to the needs of any room and project.
