The PIA's different heights and diameters allow you to nest them together to create a table set. Have fun mixing and matching all of the different finishes available.

The feet are made in Timber and cannot be done in another material. This means that the feet will be adjusted to match the veneer tabletop.

Wood Veneer Options
 Depending on the furniture piece you choose, the intensity of the varnish may vary. Sometimes it may have a more matte finish, while other times it could be shinier.
