Modules

Imagine a sofa built for comfort, with a variety of springs and foams that are assembled to make the seating experience nothing less than purely heaven. Now imagine that besides that, you have a complete piece, that brings beauty and functionality to your living room. The VIRA modular sofa is all that and more. Besides choosing your own configuration, allowing you to turn (vira) the seating to different positions, you have a metal structure that discreetly support delicate smoked eucalyptus wooden tops which serve as an extra place to put your favourite decorative items or hold your drinks . Combine this piece in any fabric you which, from HMD's own selection, to your own and you have the sofa of your dreams. Possibility of shelves in lacquer or other wood finishes also available upon request.

*the fabric consumption is calculated based on fabrics 1,4 meters wide, that can be used in any direction.

Dimensions in cm

Proposed Compositions with Shelves Included

The shelves are removable because they are attached to the base of the sofa with screws. You can have them in wood veneer or lacquered in high gloss with the RAL colors suggested below. The iron can also be lacquered in the same color.

Fabrics

Suggested RAL colors
Other colors upon request

Wood Veneer Options

Depending on the furniture piece you choose, the intensity of the varnish may vary. Sometimes it may have a more matte finish, while other times it could be shinier.

*the fabric consumption is calculated based on fabrics 1,4 meters wide, that can be used in any direction.
