Mora Side Table Any Veneer, any Brass color

Any Veneer, any Brass color

The MORA line comprises a Console, a Side Table and a Low Bench. We love the lightness of these pieces, and how they allow you to conceal things. The Brass plate slides over the Natural Wood Veneer top, which is shaped like a deep tray. The feet are made of Solid Wood. These pieces are customizable, and the different colour combinations that we propose in the Technical Sheet make the MORA a very chameleonic line that fits into any room and décor style.

The cushion is filled with high density foam. Refer to our fabric catalogue to pick your upholstery or send us your own fabric.
